James F. Collins, Chairman & CEO, commented: "Our H1-2016 revenues confirm our expectations for growth in 2016. While we anticipate a minor slowdown in H2-2016 revenues, we still expect double digit growth of revenue on a yearly basis. Accordingly, we will continue to work on business development and commercial activities in an effort to diversify our customer base and improve results. "

ABOUT EGIDE

Egide is a group with an international presence specializing in the manufacture of hermetic packages for sensitive electronic components. It operates in cutting edge markets with strong technology barriers to entry in all critical industry segments (Thermal Imaging, Optronics, High-Frequency, Power Management...). Egide is the only pure player in this market niche with manufacturing bases in France and the United States.

Egide shares are eligible for the French tax incentivized PEA-PME, FCPI investment vehicles and SRD "Long-only"
